DRUMMER/PRODUCER/  
SONGWRITER/CLINICIAN/  
SESSION ARTIST/POWERPOINT  
SPEAKER/LIVE PERFORMER

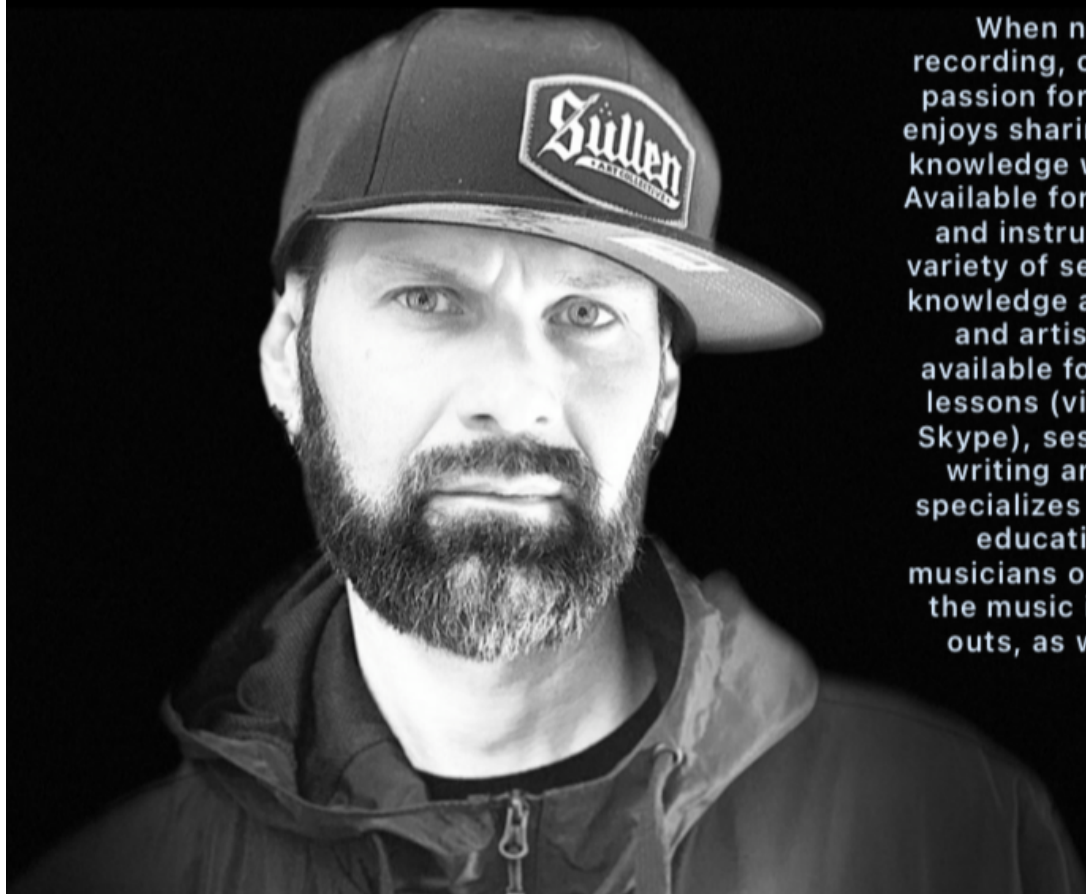

Best known as the powerhouse behind the kit of Multi Platinum recording artist Breaking Benjamin- Chad has forged a name for himself in the music community as a highly skilled professional with a versatility of playing styles who does more than just "slam the skins". Chad has toured worldwide and had been seen on the throne behind the kit with the likes of Black Star Riders, Zakk Wylde & Black Label Society, Engelbert Humperdinck, Scott Stapp, Crystal Bowersox and Adrenaline Mob along with many more projects.

Having worked with some of the best producers in the industry, such as David Bendeth, Toby Wright, Howard Benson, Jay Ruston and Ronnie King. Chad's most acclaimed recorded works include for breaking Benjamin Lp's- most notably Phobia, Dear Agony and tracks Rain and Killer (a Queen tribute of "Who wants to live forever"), as well as two bodies of work with Zakk Wylde & Black Label Society with the Unblackened (DVD) & Catacombs of the Black Vatican (CD). Also has played on Switched, Leo, Forever Oeuvre, APG, Ourafter, Hourcast, Atomflower, Walking with Lions, and his new project Paper Planes.
